**UNIVERSITY OF KANSAS
LAW ENFORCEMENT TRAINING CENTER**

**NOTICE OF HEARING ON
PROPOSED ADMINISTRATIVE REGULATIONS**

A hearing will be conducted at 1:30 p.m. Wednesday, October 2, in the Kansas Law Enforcement Training Center's Conference Room, located at the former site of the U.S. Naval Air Station in Reno County, to consider the adoption of amendments to permanent rules and regulations of the Kansas Law Enforcement Training Center.

All interested parties may submit written comments at any time prior to the hearing by addressing them to the Kansas Law Enforcement Training Center, P.O. Box 647, Hutchinson, KS 67504-0647. All interested parties will be given a reasonable opportunity at the hearing to present their views, orally, in regard to the adoption of the proposed permanent regulations. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit oral presentation to not more than five minutes.

All written and oral comments submitted by interested parties will be considered in assessing the merits of the adoption of the proposed permanent regulations.

A copy of the regulations and the fiscal impact statement may be obtained by writing the Kansas Law Enforcement Training Center at the address above.

The following is a brief summary of the proposed amendments to the permanent regulations:

K.A.R. 107-1-1 defines certain terms used in the regulations, and will be modified by adding a definition for the word "school."

K.A.R. 107-1-2 relates to minimum training requirements and qualifications needed for the certification of a police officer or law enforcement officer. It also defines the agency's as well as the full and part-time officers' duties regarding basic law enforcement training. The modifications of the regulation for adoption is a proposed improvement to section (d) by changing the word "school" to state "mandated course."

K.A.R. 107-1-3 relates to the certification of training schools by the associate director. The proposed amendment will modify the language for the duration of such certification as set out in section (b).

K.A.R. 107-1-4 relates to the procedure for the certification of a law enforcement training school. The regulation would be changed to specify that an application for certification be on a prescribed form, add a requirement for the appeal of a denial, and a technical change to subsection (g)(2).

K.A.R. 107-1-5 includes minimum standards for the satisfactory completion of law enforcement training courses. The proposed change is technical in nature.

K.A.R. 107-2-1 requires all full-time police or law enforcement officers to complete 40 hours of training in subjects relating directly to law enforcement annually. The proposed change is technical in nature.

K.A.R. 107-3-1 sets out the standards for the pre-training evaluation. The proposed change would delete the requirements relating to a psychological test.

ATTORNEY GENERAL**Opinion No. 85-107**

Counties and County Officers—Licenses—Transient Merchant Licensing Act; Exemptions. Representative John M. Solbach, Forty-Fifth District, Lawrence, August 29, 1985.

The provisions of the Transient Merchant Licensing Act do not apply to "state or county fairs" (L. 1985, ch. 94, § 3(j)). This exemption applies to a state or county fair and to the exhibitors at such a fair. Cited herein: L. 1985, ch. 94, §§ 2, 3. TRH

Opinion No. 85-108

Taxation—Mortgage Registration Fee—"Mortgage of Real Property" Construed. Nancy I. Reynolds, Brown County Register of Deeds, Hiawatha, August 29, 1985.

A present contract for sale, in which no debt is created and no lien is placed upon the property being sold, is not subject to the mortgage registration fee imposed by K.S.A. 79-3101 *et seq.* The provision for executory contracts found in K.S.A. 79-3101 applies only when complete performance of the contract is deferred for a longer period than ninety days from the execution of the contract. Cited herein: K.S.A. 79-3101. JLM

Opinion No. 85-109

Banks and Banking—Banking Code; Deposit of Public Moneys—Securities for Deposits; Exemption for Peak Deposit Periods. Charles A. Peckham, Rawlins County Attorney, Atwood, August 29, 1985.

Subsection (a) of K.S.A. 1984 Supp. 9-1403 provides that, during periods of peak deposits occurring at tax paying time and tax distributing time, the amount of security required by K.S.A. 1984 Supp. 9-1402 (as amended by L. 1985, ch. 58) for deposits of public moneys in certain financial institutions shall be reduced by one-half the usually required amount. While the statute requires a municipality to designate such periods, they may be for less than 60 days, and are

subject to negotiation between the municipality and the financial institution receiving the deposit. The effect on K.S.A. 1984 Supp. 9-1403 of the 1985 amendment to K.S.A. 1984 Supp. 9-1402 (which increased the pledging requirement from 70% to 100% of the deposit), is to increase the amount of securities which must be pledged during peak deposit times from 35% to 50%. Cited herein: K.S.A. 1984 Supp. 9-1402, as amended by L. 1985, ch. 58, §§ 1 and 2; K.S.A. 1984 Supp. 9-1403; K.S.A. 9-1407; K.S.A. 1984 Supp. 12-678a; K.S.A. 79-2004; K.S.A. 79-2005, as amended by L. 1985, ch. 311, § 10. JSS

Opinion No. 85-110

Constitution of the State of Kansas—Constitutional Amendment and Revision—Proposals by Legislature; Approval by Electors. Gary Hayzlett, Kearny County Commissioner, Lakin, August 29, 1985.

Pursuant to Article 14, Section 1 of the Kansas Constitution, the legislature may submit a constitutional amendment to a vote of the electors of Kansas by means of a concurrent resolution passed by both houses. A concurrent resolution adopted by the legislature during the 1985 session may be amended in the 1986 session, prior to being submitted to the voters in November, 1986. Alternatively, a separate concurrent resolution may be passed as a substitute for one earlier approved. In either event, the same requirements for passage must be met as were required for the initial resolution, namely two-thirds affirmative vote of the entire membership of both houses. Cited herein: L. 1985, ch. 348; Kansas Constitution, Art. 14, § 1. JSS

Opinion No. 85-111

Elections—Conduct of Elections—Mail Ballot Election Act; Date of Election. Keith Wilson, Assistant City Attorney, Liberal, August 30, 1985.

The Kansas Mail Ballot Election Act, which provides that a mail ballot election may not be held on the same date as "another election" at which the same electors are entitled to vote, does not prohibit the submission of more than one question to the voters on a single mail ballot. "Another election" refers to any election *other* than the mail ballot election scheduled for that day and not to the separate and individual choices which may be submitted to the voters on a single mail ballot. Cited herein: K.S.A. 1984 Supp. 25-431; 25-432; 25-433; 25-439; 25-2502; K.S.A. 25-2503. MFC

NOTICE OF BOND SALE

\$568,899.42

**GENERAL OBLIGATION BONDS
OF THE
CITY OF NEWTON, KANSAS**

The city of Newton, Kansas will receive sealed bids at the City Commission Chambers, 120 E. 7th, Newton, KS 67114, until 10 a.m., C.D.T., Wednesday, September 18, 1985, for \$568,899.42 par value general obligation bonds of the city, at which time and place such bids will be publicly opened. No oral or auction bids will be considered.

The Series 1985-D Bonds will be dated as of October 1, 1985, and shall mature on September 1 in each of the years and in the amounts set forth below. Such bonds shall consist of fully registered certificated bonds, each in the denomination of \$5,000.00 or integral multiples thereof, not exceeding the principal amount of the bonds maturing in each year, except one bond in the denomination of \$8,800.42. Interest will be payable semiannually, commencing March 1, 1986, and each March 1 and September 1 thereafter. The principal of, and premium, if any, on the bonds shall be payable in lawful money of the United States of America, at the principal office of The Southwest National Bank of Wichita, Wichita, Kansas, (the paying agent and bond registrar) to the registered owners thereof upon presentation of the bonds for payment and cancellation. Interest on the bonds shall be payable in lawful money of the United States of America, by check or draft of the paying agent to the registered owners appearing on the books maintained by the bond registrar as of the 15th day of the month next preceding the interest payment dates (the record dates). The fees of the bond registrar for registration and transfer of the bonds shall be paid by the city.

The bonds will mature serially in accordance with the following schedule:

Redemption

Bonds maturing September 1, 1996, and thereafter, are subject to call for redemption and payment prior to their respective maturities at the option of the city on and after September 1, 1995, in whole at any time or in part in inverse order of maturity, and by lot within maturities, on any interest payment date, at a redemption price of 101 percent (expressed as a percentage of the par value of the principal amount thereof) plus accrued interest to the redemption date.

Notice of any call for redemption will be mailed to the registered owners of such bonds to be redeemed at the address shown on the registration books maintained by the bond registrar not less than 30 days prior to the date fixed for such redemption and payment. Interest on the bonds so called for redemption and payment will cease to accrue after the redemption date, provided notice has been given and funds are then available to pay the full redemption price thereof.

Interest Rate

Proposals will be received on the bonds bearing such rate or rates of interest, not exceeding six different interest rates, as may be specified by the bidder. The repetition of a rate will not constitute one of said maximum number of rates. The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be in an even multiple of one-eighth or one-twentieth of 1 percent. The difference between the highest and lowest interest rates specified in any bid shall not exceed 2.5 percent. No interest rate shall exceed the maximum interest rate allowed by Kansas law, said rate being the 20 bond index of tax exempt municipal bonds published by the Credit Markets (formerly The Weekly Bond Buyer) in New York, New York on the Monday next preceding the day on which the bonds are sold (September 16, 1985), plus 2 percent, and no bid of less than par and accrued interest will be considered. Bids for less than the entire issue of bonds will not be considered.

Bid Form and Good Faith Deposit

Bids shall be submitted on the official bid form furnished by the city, and shall be addressed to the city at City Hall, 120 E. 7th, Newton, KS 67114, Attention: John Torline, City Clerk, and shall be

plainly marked BOND BID. All bids must state the total interest cost of the bid, the premium, if any, the net interest cost of the bid, and the average annual interest rate, all certified by the bidder to be correct, and the city will be entitled to rely on the certificate of correctness of the bidder. Each bid must be accompanied by a certified or cashier's check equal to 2 percent of the total amount of the bid, and shall be payable to Treasurer, City of Newton, Kansas. In the event a bidder whose bid is accepted shall fail to carry out his Contract of Purchase, said deposit shall be retained by the city as liquidated damages. The checks of unsuccessful bidders will be returned promptly.

Award of Bids

The sealed bids for the bonds shall be opened publicly and only at the time and place specified in this notice, and the bonds will be sold to the best bidder. The city reserves the right to reject any and all of the bids, and to waive any irregularities. Unless all bids are rejected, the bonds will be awarded to the bidder whose proposal results in the lowest net interest cost to the city, and the net interest cost will be determined by deducting the amount of any premium paid from the aggregate amount of interest upon all of the bonds from their date until their respective maturities.

Delivery of the Bonds

The bonds, duly printed, executed and registered, will be furnished and paid for by the city, and the bonds will be sold subject to the unqualified approving opinion of Gaar & Bell, Bond Counsel, of Wichita, Kansas. The number, denomination of bonds, and names of the initial registered owners to be initially printed on the bonds shall be submitted in writing by the successful bidder to the bond registrar not later than October 1, 1985. The purchaser will be furnished with a complete transcript of proceedings evidencing the authorization and issuance of the bonds, and the usual closing proofs, which will include a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity. Payment for the bonds shall be made in immediately available funds. Delivery of the bonds will be made to the successful bidder on or before October 15, 1985, at any bank in the state of Kansas or Kansas City, Missouri, at the expense of the city. Delivery elsewhere will be made at the expense of the purchaser.

Legal Opinion

Bids shall be conditioned upon the unqualified approving opinion of Gaar & Bell, Bond Counsel, Wichita, Kansas, a copy of which opinion will be printed on the reverse side of each bond and a manually signed original will be furnished without expense to the purchaser of the bonds at the delivery thereof. The cost of this legal opinion and the expense of printing the bonds and legal opinion will be paid by the city. Said legal opinion will state in part substantially that

the bonds will constitute general obligations of the city, payable as to both principal and interest in part from the collection of special assessments which have been levied on benefitted property, but any portion of said specially assessed part not so paid, and the remainder of said principal and interest will be payable from ad valorem taxes which may be levied without limitation as to rate or amount upon all of the taxable, tangible property within the territorial limits of the city; and that, under existing law, the interest on said bonds is exempt from present federal income taxation and the bonds are exempt from intangible personal property taxes levied by Kansas cities, counties or townships.

Purpose of Issue

The bonds are being issued for the purpose of constructing certain internal improvements in the city of Newton, Kansas.

CUSIP Identification Numbers

CUSIP identification numbers will be printed on said bonds. All expenses in relation to printing of CUSIP numbers on said bonds and the expenses of CUSIP Service Bureau for the assignment of said numbers shall be the responsibility of and shall be paid for by the city.

Assessed Valuation

Assessed valuation figures for the city of Newton, Kansas, for the year 1984, are as follows:

Equalized assessed valuation of taxable,	
tangible property	\$37,513,455.00
Tangible valuation of motor vehicles	\$ 9,126,814.00
Equalized assessed tangible valuation for	
computation of bonded debt limitations ..	\$46,640,269.00

Bonded Indebtedness

The total bonded indebtedness of the city of Newton, Kansas, at the date hereof, including this \$568,899.42 proposed issue of bonds, is \$10,740,478.21. Of said amount, the city will retire \$608,000 of outstanding temporary notes from the proceeds of the bonds.

Official Statement

Additional copies of this notice of bond sale, copies of the city's official statement relating to the bonds, or further information may be received from the office of the City Clerk, City Hall, 120 E. 7th, Newton, KS 67114.

Dated September 4, 1985.

NOTICE OF BOND SALE
\$2,155,750
PARK IMPROVEMENT BONDS
SERIES 1985
OF WYANDOTTE COUNTY, KANSAS
 (General obligation bonds payable
 from unlimited ad valorem taxes)

Sealed Bids

Sealed bids will be received by the undersigned, County Clerk of Wyandotte County, Kansas, on behalf of the County Commission, 710 N. 7th, Kansas City, KS 66101, until 10 a.m., Central Daylight Time, Tuesday, September 17, 1985, for the purchase of \$2,155,750 principal amount of Park Improvement Bonds, Series 1985, of the county hereinafter described. All bids will be publicly opened and read at said time and place and will be acted upon by the governing body immediately thereafter.

Bond Details

The bonds will consist of fully registered bonds in the denomination of \$5,000 or any integral multiple thereof, except one bond in the denomination of \$5,750, and will be dated September 1, 1985. The bonds will become due serially on September 1 in the years as follows:

Year	Principal Amount
1986	\$ 70,750
1987	80,000
1988	85,000
1989	95,000
1990	100,000
1991	110,000
1992	120,000
1993	135,000
1994	145,000
1995	160,000
1996	175,000
1997	190,000
1998	210,000
1999	230,000
2000	250,000

The bonds will bear interest from the date thereof at rates to be determined when the bonds are sold as hereinafter provided, which interest will be payable semiannually on September 1 and March 1 in each year, beginning on March 1, 1986.

Place of Payment and Bond Registration

The principal of and interest on the bonds will be payable in lawful money of the United States of America by check or draft of the Treasurer of the State of Kansas, Topeka, Kansas (the paying agent and bond registrar), to the registered owners thereof whose names are on the registration books of the bond registrar as of the 15th day of the month preceding each interest payment date. The bonds will be registered pursuant to a plan of registration approved by the

county and the Attorney General of the State of Kansas. The bonds may be registered as fully registered certificated bonds or uncertificated (book entry) bonds at the option of each registered owner.

The county will pay for the fees of the bond registrar for registration and transfer of the bonds and will also pay for printing a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the bond registrar, will be the responsibility of the bondholders.

The type and denominations of the bonds and the names, addresses and social security or taxpayer identification numbers of the registered owners shall be submitted in writing by the successful bidder to the county and bond registrar by September 30, 1985. In the absence of such information, the county will deliver bonds in the denomination of each maturity registered in the name of the successful bidder.

Redemption of Bonds Prior to Maturity

Bonds maturing in the years 1986 to 1995, inclusive, shall become due without option of prior payment. At the option of the county, bonds maturing in the years 1996 to 2000, inclusive, may be called for redemption and payment prior to maturity in whole or in part in inverse order of maturity (selection of bonds within the same maturity to be by lot by the county in such equitable manner as it may determine) on September 1, 1995, or on any interest payment date thereafter at the redemption price of the principal amount plus accrued interest thereon to the date of redemption, without premium.

Whenever the county is to select bonds for the purpose of redemption, it shall, in the case of bonds in denominations greater than \$5,000, if less than all of the bonds then outstanding are to be called for redemption, treat each \$5,000 of face value of each such fully registered bond as though it were a separate bond of the denomination of \$5,000.

If the county shall elect to call any bonds for redemption and payment prior to the maturity thereof, the county shall give written notice of its intention to call and pay said bonds on a specified date, the same being described by number and maturity, said notice to be mailed by United States registered or certified mail addressed to the registered owners of said bonds, to the State Treasurer of Kansas, and to the manager or managers of the underwriting account making the successful bid, each of said notices to be mailed not less than 30 days prior to the date fixed for redemption. If any bond be called for redemption and payment as aforesaid, all interest on such bond shall cease from and after the date for which such call is made, provided funds are available for its payment at the price hereinbefore specified.

Conditions of Bids

Proposals will be received on the bonds bearing such rate or rates of interest as may be specified by the bidders, subject to the following conditions: The same rate shall apply to all bonds of the same maturity. Each

interest rate specified shall be in a multiple of $\frac{1}{8}$ or $\frac{1}{20}$ of 1 percent. No interest rate shall exceed a rate equal to the 20 bond index of tax exempt municipal bonds published by Credit Markets (formerly The Weekly Bond Buyer) in New York, New York on the Monday next preceding the day on which the bonds are sold, plus 2 percent. The difference between the highest rate specified and the lowest rate specified shall not exceed 2.5 percent. No rate specified shall be lower than any rate specified for an earlier maturity of the bonds. No bid of less than the par value of the bonds and accrued interest thereon to the date of delivery will be considered and no supplemental interest payments will be authorized. Each bid shall specify the total interest cost to the county during the life of the bonds on the basis of such bid, the premium, if any, offered by the bidder, and the net interest cost to the county on the basis of such bid. Each bid shall also specify the average annual net interest rate to the county on the basis of such bid.

Basis of Award

The award of the bonds will be made on the basis of the lowest net interest cost to the county, which will be determined by subtracting the amount of the premium bid, if any, from the total interest cost to the county. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the interest rates specified in the bid shall be adjusted accordingly. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the governing body shall determine which bid, if any, shall be accepted, and its determination shall be final. The county reserves the right to reject all bids and to waive any irregularities in a submitted bid.

Authority, Purpose and Security

The bonds are being issued pursuant to K.S.A. 19-101a, as amended, and certain resolutions of the governing body of the county, including Resolution No. 1931, for the purpose of paying the cost of certain park and recreational area improvements in the county. The bonds and the interest thereon will constitute general obligations of the county, payable from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the county.

Legal Opinion

The bonds will be sold subject to the legal opinion of Gaar & Bell, Overland Park, Kansas, Bond Counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the county, printed on the bonds and delivered to the successful bidder as and when the bonds are delivered. Said opinion will also state that in the opinion of bond counsel, under existing laws and regulations, the interest on the bonds is exempt from federal income taxation.

Delivery and Payment

The county will pay for printing the bonds and will deliver the same properly prepared, executed and registered without cost to the successful bidder within 45 days after the date of sale at such bank or trust company in the contiguous United States of America as may be specified by the successful bidder. The successful bidder will also be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the bonds and the usual closing proofs, which will include a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity. Payment for the bonds shall be made in federal reserve funds, immediately subject to use by the county. The denomination of the bonds and the names, addresses and social security or taxpayer identification numbers of the registered owners shall be submitted in writing by the successful bidder to the county and bond registrar by September 30, 1985. In the absence of such information, the county will deliver bonds in the denomination of each maturity registered in the name of the successful bidder.

Good Faith Deposit

Each bid shall be accompanied by a cashier's or certified check drawn on a bank located in the United States of America in the amount of \$43,115 (2 percent of the total par value of the bonds), payable to the order of the county to secure the county from any loss resulting from the failure of the successful bidder to comply with the terms of its bid. No interest will be paid upon the successful bidder's good faith check. Said check shall be returned to the bidder if its bid is not accepted. If a bid is accepted, said check will be held by the county until the bidder shall have complied with all of the terms and conditions of this notice, at which time the check will be returned to the successful bidder or paid to its order at the option of the county. If a bid is accepted but the county shall fail to deliver the bonds to the bidder in accordance with the terms and conditions of this notice, said check will be returned to the bidder. If a bid is accepted but the bidder defaults in the performance of any of the terms and conditions of this notice, the proceeds of such check will be retained by the county as and for liquidated damages.

CUSIP Numbers

It is anticipated that CUSIP identification numbers will be printed on certificated bonds or assigned to uncertificated bonds, but neither the failure to print such number on or assign such number to any bond nor any error with respect thereto shall constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the bonds in accordance with the terms of the purchase contract. All expenses in relation to the assignment and printing of CUSIP numbers on the bonds will be paid by the county.

(continued)

Bond Rating

The county has applied for ratings on the bonds herein offered for sale.

Bid Forms

All bids must be made on forms which may be procured from the county clerk. No additions or alterations in such forms shall be made and any erasures may cause rejection of any bid. The county reserves the right to waive irregularities and to reject any or all bids.

Submission of Bids

Bids must be submitted in sealed envelopes addressed to the undersigned county clerk, and marked "Proposal for the Purchase of Park Improvement Bonds." Bids may be submitted by mail or delivered in person to the undersigned at the Wyandotte County Courthouse and must be received by the undersigned prior to 10 p.m., Central Daylight Time, September 17, 1985.

Preliminary Official Statement

The county prepared a preliminary official statement dated September 1, 1985, copies of which may be obtained from the county clerk. Upon the sale of the bonds and at the request of the successful bidder, the county will furnish the successful bidder with a reasonable number of copies thereof without additional cost. Additional copies may be ordered by the successful bidder at his expense.

Assessed Valuation and Indebtedness

The total assessed valuation of the taxable tangible property within the county for the year 1984 is \$439,865,920. The total general obligation indebtedness of the county as of the date of the bonds, including the bonds being sold, is \$2,875,750. Temporary notes in the principal amount of \$2,155,750 will be retired out of proceeds of the bonds and other available funds.

Additional Information

Additional information regarding the bonds may be obtained from the county clerk.

Dated this 1st day of September, 1985.

* OPTIONAL REDEMPTION: Bonds due September 1, 1995, and thereafter, are callable for redemption on September 1, 1994, or any interest payment date thereafter, in inverse numerical order at par and accrued interest to date of redemption plus a premium (expressed as a percentage of principal amount) of 2 percent.

Notice of any call for redemption will be mailed to the registered owners of such bonds to be redeemed at the address shown on the registration books maintained by the bond registrar not less than 30 days prior to the date fixed for such redemption and payment. Interest on the bonds so called for redemption and payment will cease to accrue after the redemption date, provided notice has been given and funds are then available to pay the full redemption price thereof.

Interest will be payable semiannually, commencing March 1, 1986, and each September 1 and March 1 thereafter. The principal of, and premium, if any, on the bonds shall be payable in lawful money of the United States of America, at the Office of the State Treasurer in Topeka, Kansas (the paying agent and bond registrar) to the registered owners thereof upon presentation of the bonds for payment and cancellation. Interest on the bonds shall be payable in lawful money of the United States of America, by check or draft of the paying agent to the registered owners appearing on the books maintained by the bond registrar as of the 15th day of the month next preceding the interest payment dates (the record dates). The fees of the bond registrar for registration and transfer of the bonds shall be paid by the city.

Types of Bids and Interest Rates

Proposals will be received on the bonds bearing such rate or rates of interest as may be specified by the bidder. The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be in an even multiple of one-eighth or one-twentieth of 1 percent. The difference between the highest and lowest interest rates specified in any bid shall not exceed 3 percent. No interest rate shall exceed the maximum rate allowed by Kansas law, said maximum rate being 2 percent above the Weekly Credit Market's 20 bond index of tax exempt municipal bonds, published in New York, New York on the Monday next preceding the day on which the bonds are sold, and no bid of less than par and accrued interest will be considered. Bids involving the use of extra or supplemental interest rates will not be considered. Bids for less than the entire issue of bonds will not be considered.

Bids shall be submitted on the official bid form furnished by the city, and shall be addressed to the city at the City Hall, Attention: Bonnie Strodman, City Clerk, and shall be plainly marked BOND BID. All bids must state the total interest cost of the bid, the premium, if any, the net interest cost of the bid, and the average annual interest rate, all certified by the bidder to be correct, and the city will be entitled to rely on the certificate of correctness of the bidder. Each bid must be accompanied by a certified or cashier's check equal to 2 percent of the total amount of the bid, and shall be payable to Treasurer, City of Pratt, Kansas. In the event a bidder whose bid is accepted shall fail to carry out his contract of purchase, said deposit shall be retained by the city as liquidated damages. The checks of unsuccessful bidders will be returned promptly.

Basis for Award

The sealed bids for the bonds shall be opened publicly and only at the time and place specified in this notice, and the bonds will be sold to the best bidder. The city reserves the right to reject any and all of the bids, and to waive any irregularities. Unless all bids are rejected, the bonds will be awarded to the bidder whose proposal results in the lowest net interest cost to the city, and the net interest cost will be determined by deducting the amount of any premium paid from the aggregate amount of interest upon all of the bonds from their date until their respective maturities. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the city shall determine which bid, if any, shall be accepted, and its determination shall be final.

Delivery

The bonds, duly printed, executed and registered, will be furnished and paid for by the city, and the bonds will be sold subject to the unqualified approving opinion of Gaar & Bell, Bond Counsel, of Wichita,

Kansas, whose opinion will be paid for by the city. The number, denomination of bonds, and names of the initial registered owners to be initially printed on the bonds shall be submitted in writing by the successful bidder to the bond registrar not later than seven business days preceding delivery of the bonds. The purchaser will be furnished with a complete transcript of proceedings evidencing the authorization and issuance of the bonds, and the usual closing proofs, which will include a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity. Payment for the bonds shall be made in immediately available funds. Delivery of the bonds will be made to the successful bidder on or about October 16, 1985, at any bank in the state of Kansas or Kansas City, Missouri, at the expense of the city. Delivery elsewhere will be made at the expense of the purchaser.

It is anticipated that CUSIP identification numbers will be printed on the bonds, but neither the failure to print such numbers on any bond nor any error with respect thereto shall constitute cause for a failure by the successful bidder to accept delivery of and pay for the bonds in accordance with the terms of its contract and this notice of bond sale. All expenses in connection with the printing of CUSIP numbers on the bonds shall be paid for by the city.

Security

Bids shall be conditioned upon the unqualified approving opinion of Gaar & Bell, Bond Counsel, Wichita, Kansas, a copy of which opinion will be printed on the reverse side of each bond and a manually signed original will be furnished without expense to the purchaser of the bonds at the delivery thereof. The cost of this legal opinion and the expense of printing the bonds and legal opinion will be paid by the city. Said legal opinion will state in part substantially that the bonds will constitute general obligations of the city, payable as to both principal and interest from the collection of special assessments which have been levied on benefitted property; any portion of said specially assessed part not so paid shall be payable from ad valorem taxes which may be levied without limitation as to rate or amount upon all of the taxable, tangible property within the territorial limits of the city; and, under existing law, the interest on said bonds is exempt from present federal income taxation and the bonds are exempt from intangible personal property taxes levied by Kansas cities, counties or townships. The bonds are being issued for the purpose of financing the special assessment portion of street improvements made in the city.

Financial Information

Assessed valuation figures for the city of Pratt, for the year 1984, are as follows:

Equalized assessed valuation of taxable,	
tangible property	\$18,261,173
Tangible valuation of motor vehicles	\$ 5,023,145
Equalized assessed tangible valuation for	
computation of bonded debt	\$23,284,318

(continued)

The total general obligation bonded indebtedness of the city of Pratt, including this issue of bonds, is \$2,141,759.46. This amount includes \$2 million in general obligation refunding bonds, dated August 15, 1985. Temporary notes in the amount of \$195,000 will be retired from the proceeds of this issue. The city also has temporary notes outstanding in the principal amount of \$34,600.

Further Information

Further information may be obtained from the city clerk, or Ranson & Company, Inc., Suite 610, 120 S. Market, Wichita, KS 67202, (316) 262-2651.

DEPARTMENT OF HEALTH AND ENVIRONMENT

NOTICE OF HEARING ON PROPOSED ADMINISTRATIVE REGULATIONS

The Kansas Department of Health and Environment will conduct a public hearing at 1:30 p.m. Friday, October 4, in the Conference Room of the Kansas Department of Health and Environment, Building 321, Forbes Field, Topeka, to receive oral or written testimony concerning amendment of Kansas Administrative Regulations 28-35-175 through 28-35-200 and 28-35-225b, 28-35-223c, 28-35-223d and 28-35-231b. These amendments, proposed as both temporary and permanent, are intended to update certain areas concerning radiation protection and radioactive materials licensing such as licensing of physicians and institutions to possess and use radioactive materials for diagnosis and therapy; licensing of colleges and universities for use of radioactive materials in research and development; or licensing of industrial radiographers for use of radioactive materials in nondestructive testing.

The temporary regulations will become effective October 22, 1985 or as soon thereafter as they are approved by the State Rules and Regulations Board and filed with the Revisor of Statutes as temporary regulations, and the permanent regulations will become effective May 1, 1986.

Any persons wishing to present testimony may do so at the hearing either orally or by presenting written testimony to the hearing officer. The written testimony will not be read aloud to those in attendance at the hearing. Written testimony will also receive consideration if mailed and received by the department by October 7, 1985.

Copies of the proposed regulations and a statement of financial impact due to these proposed regulations may be obtained or reviewed at the Bureau of Air Quality and Radiation Control Section, Building 321,

Forbes Field, Topeka, KS 66620, (913) 862-9360, ext. 284.

Summaries of the proposed regulations follow:

28-35-175a. Persons licensed. This regulation explains that a person may not receive, possess, use, transfer or dispose of radioactive material unless authorized by the regulations by, appropriate license or exemption.

28-35-176a. Type of licenses. This regulation describes the two types of radioactive materials licenses.

28-35-177a. General licenses—source material. This regulation issues the general license for certain uses of source material.

28-35-178a. General license—certain ionization devices. This regulation issues the general license for certain specific devices containing radioactive materials which produce ionized atmospheres to reduce static, or to act as ion generating tubes.

28-35-178b. General license—certain measuring, gauging and control devices. This regulation issues the general license for devices containing radioactive material which is used for gauging, measuring or control.

28-35-178c. General license. General license to install devices licensed pursuant to 28-35-178b. This regulation issues a general license to the persons installing devices which are licensed pursuant to 28-35-178b.

28-35-178d. Luminous safety devices for use in aircraft. This regulation issues the general license for luminous safety devices in aircraft.

28-35-178e. Americium 241 in the form of calibration or reference sources. This regulation issues the general license for Americium 241 calibration sources when used by persons already specifically licensed for other radioactive materials.

28-35-178h. General license for use of by-product material for certain in vitro clinical or laboratory testing. This regulation issues the general license for use of by-product material for clinical and laboratory in-vitro medical testing.

28-35-178i. General licenses for certain units of radium 226. This regulation issues a general license to use radium 226 in units not exceeding 0.1 microcurie each.

28-35-197a. Application for specific license. This regulation describes the procedure for submitting an application for a specific license.

28-35-180a. Grant or denial of specific license. This regulation describes in general the criteria to be used to determine whether to grant a radioactive materials license.

28-35-181a. Specific licenses for materials, human use of radioactive material in a medical institution. The regulation describes the specific criteria for issuance of a specific license to a medical institution.

28-35-181b. Specific licenses to individual physicians for human use of radioactive material. This regulation describes the specific criteria for issuance of a specific license to an individual physician.

28-35-181c. Specific licenses for human use of radioactive material in sealed sources. This regulation

describes the specific criteria for issuance of a specific license to use sealed radioactive sources in medical therapy.

28-35-181d. Specific licenses for a group or groups of medical uses. This regulation describes a means whereby a medical institution or a physician may be licensed to possess and use a large number of different radioactive sources for uses which are grouped according to the use.

28-35-181e. Special license for certain items containing radioactive materials other than source, by-product or special nuclear materials. This regulation describes the criteria for issuance of a license to use radioactive materials other than source, by-product and special nuclear materials.

28-35-181f. Special licenses for introduction of radioactive material into products in exempt concentrations. This regulation describes the criteria for issuance of a license authorizing the introduction of radioactive materials into products in exempt concentrations.

28-35-181g. Special licenses for use of sealed sources in industrial radiography. This regulation describes the criteria for issuance of a license to perform industrial radiography using radioactive sealed sources.

28-35-181h. Specific license to manufacture and distribute the devices specified in K.A.R. 28-35-178b. This regulation describes the criteria for issuance of a specific license authorizing manufacture and distribution of devices licensed pursuant to K.A.R. 28-35-178b.

28-35-181i. Special license to manufacture, distribute, assemble or repair luminous safety devices used in aircraft. This regulation describes the criteria for issuance of a license authorizing individuals to manufacture, assemble, or repair luminous safety devices used in aircraft.

28-35-181j. Special licenses to manufacture and distribute calibration sources containing americium 241 or plutonium. This regulation describes the criteria for issuance of a license authorizing the manufacturer and distribution of calibration sources to persons generally licensed pursuant to 28-35-178e.

28-35-181k. Specific licenses to manufacture and distribute ice detection devices. This regulation describes the criteria for issuance of a license authorizing the manufacture and distribution of ice detection devices.

28-35-181l. Specific license to manufacture and distribute industrial products containing depleted uranium. This regulation describes the criteria for issuance of a license to manufacture and distribute devices containing depleted uranium.

28-35-181m. Specific license to manufacture and distribute radiopharmaceuticals containing radioactive material for medical use under group licenses. The regulation describes the criteria for issuance of a license to manufacture and distribute radiopharmaceuticals which are to be used for the uses described in K.A.R. 28-35-199a.

28-35-181n. Specific license to manufacture and distribute generators or reagent kits for preparation of

radiopharmaceuticals containing radioactive materials. This regulation contains the criteria for issuance for a specific license authorizing the manufacture and distribution of generators or reagent kits which are used in a medical institution to prepare radiopharmaceuticals.

28-35-181o. Specific license to manufacture and distribute devices for use as a calibration source, or for certain medical uses. This regulation contains the criteria for issuance of a license to manufacture and distribute sources or devices used by other licensees for calibration, reference, or therapeutic medical purposes.

28-35-181p. Specific license to manufacture or distribute radioactive material for use by persons generally licensed under K.A.R. 28-35-178h. This regulation describes the criteria for issuance of a license to manufacture or distribute radioactive material to persons whose possession and use are authorized under K.A.R. 28-35-178h.

28-35-181q. Special licenses concerning gas and aerosol detectors containing radioactive material other than source, by-products and special nuclear material. This regulation describes the criteria for issuance of a license authorizing the manufacture and distribution of gas and aerosol detectors containing radioactive sources other than source, by-product or special nuclear material which are distributed to persons exempt from these regulations.

28-35-181r. Special licenses to manufacture, process, import, distribute or transfer radioactive materials to persons exempt from regulations pursuant to K.A.R. 28-35-192a. This regulation describes the criteria for issuance of a license to manufacture, process, produce, import, package, repackage, or transfer quantities of radioactive material other than source, by-product or special nuclear material to persons exempt from these regulations.

28-35-182a. Specific license of broad scope. This regulation describes the general criteria for issuance of a license to use unnamed radioactive materials in limited quantities for research and development.

28-35-182b. Qualifications for a type A specific license of broad scope. This regulation describes the qualification the applicant must fulfill prior to issuance of the TYPE A broad license.

28-35-182c. Qualification for a type B specific license of broad scope. This regulation describes the qualifications the applicant must fulfill prior to issuance of a TYPE B broad license.

28-35-182d. Qualification for a type C specific license of broad scope. This regulation describes the qualification the applicant must fulfill prior to issuance of a TYPE C broad license.

28-35-182e. Restrictions on specific licenses of broad scope. This regulation describes the special restrictions on the use of radioactive material under a license of broad scope.

28-35-183a. Conditions imposed upon any specific license. This regulation indicates the secretary may incorporate in any license, at any time, such conditions as may be necessary to protect health and min-

(continued)

imize danger to life and property and assure proper reporting or prevent loss or theft of radioactive material.

28-35-184a. Specific conditions on all licensees. This regulation outlines seven conditions which are applicable to all licenses.

28-35-185a. Expiration of licenses. This regulation indicates all specific licenses shall expire at the end of the day, in the month and year stated on the license.

28-35-186a. Renewal of licensees. This regulation provides that a license shall not expire until action is taken by the secretary if an application for renewal is received 30 days prior to the expiration date.

28-35-187a. Amendment of licenses at request of licensee. This regulation describes the procedure to be used by a licensee to request an amendment to the license.

28-35-188a. Department action on application to renew or amend. This regulation indicates that renewal or amendment of a license will depend upon the same criteria as issuance of a new license.

28-35-189a. Advance notification of transport of nuclear waste. This regulation describes the action that must be taken by licensees transporting or delivering for transport nuclear waste.

28-35-190a. Transfer of material. This regulation indicates how radioactive material transfers by licensee shall be conducted.

28-35-191a. Modification, revocation and termination of licenses. This regulation establishes the conditions under which a license shall be modified, revoked or terminated.

28-35-192a. Exemption; source material. This regulation exempts from licensing and control persons who acquire, possess, or use source material in specific concentrations or devices.

28-35-192b. Exemptions; exempt concentration of radioactive material. This regulation exempts from licensing and control persons who acquire, possess, or use radioactive material in concentrations lower than those established in K.A.R. 28-35-198a.

28-35-192c. Exceptions; other radioactive materials. This regulation lists those devices the possession and use of which are exempted from the regulations.

28-35-192d. Exemptions; resins containing scandium-46 and designed for sand consolidation in oil wells. This regulation exempts the possession and use of scandium-46 sands from the regulations.

28-35-192e. Exemption; gas and aerosol detectors containing radioactive material. This regulation exempts the possession and use of gas and aerosol detectors from these regulations.

28-35-192f. Exemptions; self-luminous products containing tritium, krypton-85 or promethium-147. This regulation exempts from these regulation persons who possess or use devices using tritium, krypton-85 or promethium-147 as light sources.

28-35-192g. Exemption; exempt quantities. This regulation exempts persons from control who received before January 1, 1972 radioactive material then distributed pursuant to a general license.

28-35-193a. Pre-licensing inspections. This regulation authorizes the department to verify information

provided by an applicant during a pre-licensing inspection.

28-35-194a. Reciprocal recognition of licenses. This regulation issues a general license to licensees of the US NRC or any other Agreement State to perform the same tasks in Kansas authorized in a specific license issued by that jurisdiction.

28-35-195a. Intrastate transportation of radioactive materials. This regulation issues a general license to common and contract and private carriers to transport radioactive material provided the transport is conducted in accordance with U.S. Department of Transportation regulations.

28-35-196a. Preparation of radioactive material for transport. This regulation describes the conditions and procedures to be followed in preparing a package of radioactive material for transport.

28-35-196b. Transportation of radioactive material. This regulation limits Kansas licensees transportation of radioactive materials to the type and quantity contained in their general or specific license or to certain very small quantities.

28-35-197a. Schedule B. Exempt quantities of radioactive materials. This regulation is a list of all the radioactive materials and the quantity of each which is exempt from control.

28-35-198a. Schedule C. Exempt concentrations. This regulation is a list of all the radioactive materials the concentrations of which as a gas or a solid are exempt from control.

28-35-199a. Schedule D. Groups of material uses of radioactive material. This regulation lists each of the radioactive materials which may be used in Medical Groups I through VI.

28-35-200a. Schedule E. Possession limits under types B & C specific licenses of broad scope. This regulation lists the radioisotopes and the maximum quantity of which may be possessed and used under a specific license of broad scope type by B or C.

28-35-175 through 28-35-200 were revoked.

28-35-223b. Waste classification. This regulation describes the method to be used by licensees to classify the radioactive waste generated for disposal.

28-35-223c. Waste characteristics. This regulation establishes the minimum requirement for packaging radioactive waste and also establishes certain physical characteristics of waste which will not be acceptable.

28-35-223d. Labeling. This regulation requires every package of waste be labeled as to its classification.

28-35-231b. Transfer for disposal and manifests. Adopts by reference the national standard for waste transfers and manifests for radioactive material shipments as published by the United States Nuclear Regulatory Commission.

DEPARTMENT OF HEALTH
AND ENVIRONMENTNOTICE OF HEARING ON
PROPOSED ADMINISTRATIVE REGULATIONS

Two public hearings will be conducted to receive public comment on proposed permanent regulations of the Department of Health and Environment. The regulations, K.A.R. 28-16-28b through K.A.R. 28-26-28f, will replace K.A.R. 28-16-28 and K.A.R. 28-16-28a. The regulations, authorized by K.S.A. 1984 Supp. 65-171d, would become effective May 1, 1986, and are required by Section 303 of the Clean Water Act [Federal Water Pollution Control Act (P.L. 95-217, 33 USC Section 125a (1971) as amended)] to promulgate surface water quality standards. The regulations address the uses and classification of surface waters and contain water quality criteria designed to protect surface water quality.

The first hearing will begin at 1 p.m. Wednesday, October 2, at City Hall, 455 N. Main, Wichita. The second hearing will begin at 1 p.m. Thursday, October 3, at the Topeka Shawnee County Health Department Auditorium, Room 101, 1615 W. 8th, Topeka. Please note that these hearing dates are *one week later* than had been earlier announced.

Copies of the regulations and the fiscal impact statements may be obtained by writing Don Snethen, Bureau of Water Protection, Division of Environment, Kansas Department of Health and Environment, Building 740, Forbes Field, Topeka, KS 66620.

Copies of the proposed Water Quality Standards also may be reviewed at the following locations:

All interested parties may submit written comments at any time prior to the hearing by addressing them to Gyula F. Kovach, Manager, Bureau of Water Protection, Kansas Department of Health and Environment, Forbes Field, Topeka, KS 66620. All interested parties will be given a reasonable opportunity to present their views, orally, in regard to the adoption of the proposed regulations. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit oral presentations to not more than five minutes.

Following the hearing, all written and oral comments submitted by interested parties will be considered by the Secretary of Health and Environment as the basis for making changes to these proposed regulations.

BOARD OF EDUCATION

NOTICE OF HEARING ON
PROPOSED ADMINISTRATIVE REGULATIONS

The Kansas State Board of Education will conduct a public hearing at 11 a.m. Tuesday, October 8, in Room 121 of the Kansas State Education Building, 120 E. 10th, Topeka, to consider proposed new Kansas Administrative Regulations (K.A.R.) numbered 91-1-27a and 91-1-27b; new State Board Regulation (S.B.R.) number 91-1-30a; changes of S.B.R. 91-1-28, 91-1-30, 91-1-33, 91-1-34, 91-1-52, 91-1-62, 91-1-83, 91-1-91, 91-1-120, 91-1-121, 91-1-122, 91-1-131, 91-1-145, and 91-31-12b; and repeal of S.B.R. 91-1-64, 91-1-84, 91-1-93, to 9-1-100, 91-1-107 to 91-1-109, 91-1-111, 91-1-127 to 91-1-129, 91-1-133, 91-1-134, 91-1-136 and 91-1-140.

The following is a summary of the substance of each proposed regulation.

1. K.A.R. 91-1-27a is a proposed new regulation which establishes the requirement that, on and after May 1, 1986, an initial certificate to teach shall be issued only to those applicants who have taken and satisfactorily passed the precertification examination prescribed by the Board. It also addresses other matters related to the precertification examination, including its confidentiality and the number of times it may be taken.

2. K.A.R. 91-1-27b is a proposed new regulation that provides exemptions for certain persons from taking the precertification examination and makes provisions for a one year, nonrenewable certificate to teach under certain limited conditions.

3. S.B.R. 91-1-28 is being amended to make editorial changes and to reflect the new name of the Teaching and School Administration Professional Standards Advisory Board.

4. S.B.R. 91-1-30 is being amended to delete provisions concerning the issuance of endorsements in one or more second fields and to set forth in explicit terms that renewal requirements may be changed from time to time by the State Board of Education. Also, editorial changes are being made as needed.

5. S.B.R. 91-1-30a is a proposed new regulation and will govern the issuance and renewal of endorsements in one or more second fields.

6. S.B.R. 91-1-33' is being amended to prescribe new standards for endorsement as a director of special education. The regulation will require that persons

(continued)

seeking this endorsement have completed the requirements for a district school administrator's endorsement, in addition to other requirements. It also fixes the standards for program approval in regard to director of special education programs.

7. S.B.R. 91-1-34 is being amended to change the requirements for endorsement as a special education supervisor/coordinator and to designate the requirements necessary to obtain approval of a program in the area of special education supervisor/coordinator.

8. S.B.R. 91-1-52 is being amended to provide for an initial three-year endorsement in vocational special needs and a five-year endorsement in that area upon completion of the requirements set forth in the regulation.

9. S.B.R. 91-1-62 is being amended to require that an applicant having credit from a non-accredited institution have completed a minimum of eight semester hours of credit in a state-approved program as a condition for certification.

10. S.B.R. 91-1-83 is being amended to require completion of an approved program, rather than completion of a prescribed number of hours, in order to receive an endorsement in aerospace education. It also specifies the requirements for program approval in this area.

11. S.B.R. 91-1-91 is being amended to require completion of an approved program, rather than completion of a prescribed number of hours, in order to receive an endorsement in English. It also specifies the requirements for program approval in this area.

12. S.B.R. 91-1-120 is being amended to require completion of an approved program, rather than completion of a prescribed number of hours, in order to receive an endorsement in speech communication. It also specified the requirements for program approval in this area.

13. S.B.R. 91-1-121 is being amended to require completion of an approved program, rather than completion of a prescribed number of hours in order to receive an endorsement in drama (theatre). It also specifies the requirements for program approval in this area.

14. S.B.R. 91-1-122 is being amended to require completion of an approved program, rather than completion of a prescribed number of hours, in order to receive an endorsement in journalism. It also specifies the requirements for program approval in this area.

15. S.B.R. 91-1-131 is being amended to require completion of an approved program, rather than completion of a prescribed number of hours, in order to receive an endorsement as a school counselor. It also specifies the requirements for program approval in this area. The amendments to this regulation replace the requirements prescribed in S.B.R. 91-1-64, which regulation is being revoked.

16. S.B.R. 91-1-145 is being amended to provide a new method of verifying credit from institutions located outside the United States and for issuing certificates to graduates of such institutions.

17. S.B.R. 91-31-12b is being amended to allow

correspondence credit, except in U.S. history or U.S. government, to be earned from any school or institution, with the approval of the school principal in accordance with guidelines established by the local board.

18. S.B.R. 91-1-64, 91-1-84, 91-1-93 to 91-1-100, 91-1-107 to 91-1-109, 91-1-111, 91-1-127 to 91-1-129, 91-1-133, 91-1-134, 91-1-136 and 91-1-140 have been superseded by other regulations and, therefore, are being revoked.

A copy of each proposed regulation is being mailed to all chief school administrators in the state and may be reviewed in their offices by interested persons. Also, a copy of each of the proposed regulations and its fiscal impact statement may be obtained by contacting the secretary of the State Board of Education, Kansas State Education Building, 120 E. 10th, Topeka, KS 66612, prior to the date of the hearing.

On the date of the hearing, all interested persons will be given a reasonable opportunity to present their views or arguments, either orally or in writing, in regard to the proposed regulations. Individuals or organizations that cannot appear at the hearing may submit to the secretary of the state board of education, at least five days before the hearing, their views regarding the proposed regulations. This may be done by letter, regular audio cassette tape, or one-half inch VHS video cassette tape. Audio or video cassette tapes shall not exceed three minutes in length and shall be accompanied by a signed transcript. Persons using tapes shall first identify themselves in the tapes and state whether they represent only themselves or whether they represent a group. All comments received will be considered by the board. The hearing shall be conducted in compliance with the public hearing procedures of the board.
